Tony LaRussa's ARF	Walnut Creek	925-977-7900 , option 7, then x494		Female pit bull, 75 lbs, 3 years old	7/26/2010			Called back - this time msg says they have a 50 msg limit on mailbox, checked 2x a week by volunteers, surgeries available only on Wed., leave a message and someone will call back. I left my google #, said it was for female pit bull spay and that she really needs to get fixed, that I've seen loose dogs in the neighborhood. ****no call back as of 7/28**** ****no call back as of 8/3****
Martinez Animal Spay/Neuter Clinic	Martinez	925-335-8320	\$125 / females or \$85 / males	Female pit bull, 75 lbs, 3 years old	7/26/2010		Appx. 2-3 months	Answering machine only, have to call back tomorrow but message indicates surgery date is 2-3 months from today!!!
Martinez Animal Spay/Neuter Clinic	Martinez	925-335-8320	\$125 / females or \$85 / males	Female pit bull, 75 lbs, 3 years old	7/26/2010		Nov. 4th!!!	Called back - message now states to expect 2-3 month wait for spay/neuter appt; 1 month wait for vaccine appt; and to hold for operator. Waited 15 minutes on hold, was told could get an appt on Nov. 4th! I asked for any other resources they could refer me to, was told the East Bay Pit Fix was all they knew of. I explained my dog shouldn't wait that long because a neighbor had an unneutered male and she said that was the best they can do. ***also, requires current vaccines and proof of license - correct me if I'm wrong, but to get a license w/out being spayed is \$\$\$, not sure how that helps anyone***
